CLEANING

- The Grimaldi Forum uses selected **eco-labeled products**.
- The Grimaldi Forum has set up a selective sorting of waste at all stages of its activity. By ordering a sorting rubbish bin, you contribute to develop this approach by recycling your waste according our customs.
- During the set-up of stands, the GFM put at disposal of the builders **several kinds of containers** to allow a recycling adapted to your waste: • Boxes • glasses • wood • paper • non-recoverable materials (wastes, plastic, non-recyclable carpets...). The plan of their location is available on site.
- **Every evening** during the exhibition, **please leave your waste in the aisles** separating bottles and boxes of other wastes.
- At the end of the event, **the space must be returned cleaned of all waste**. It belongs to the exhibitor for the evacuation of waste and in case of raw space, all elements of the stand including carpet. The Grimaldi Forum can put at your disposal **big bins (waste or wood)**, subject to estimate, to leave the space cleaned.
- Waste left on site will be charged to the exhibitor on simple presentation of a unilateral statement by the Grimaldi Forum. When you leave, you can ask to make a declaration to the technical assistant that you have left your stand cleaned of all waste.
