

# YOUR HYBRID EVENT AT THE

## COMBINE FACE-TO-FACE WITH REMOTE PRESENTATIONS

### ARE SOME OF YOUR PARTICIPANTS UNABLE TO ATTEND?

- Offer them the possibility of viewing your event live or with a delay thanks to secure access to different platforms (web page, private platform, You Tube, etc.).
- During live broadcasts, there is an option to chat with moderation of questions at different levels.

### ARE SOME OF YOUR SPEAKERS UNABLE TO ATTEND?

- Pre-record their speeches on a dedicated platform and we will take care of their dissemination.
- Pre-record their presentations under live conditions with a dedicated GFM technician (video customized for your company).
- Take advantage of the complete assistance of the GFM which can organise all remote and live speaking activities (recording, branding, broadcasting, storage, etc.).

### ARE YOU UNABLE TO HOST ALL PARTICIPANTS IN YOUR PLENARY ROOM?

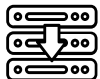

- Broadcast your presentation to one or several spaces thanks to GFM's live streaming service, with the possibility of interaction between the different sites.

### TO COMPLETE ITS OFFER GFM PROPOSES THE FOLLOWING SOLUTIONS:

**STORAGE** of data on a customisable platform with advertising banners.

**DOWNLOAD** of your presentations at different levels.

**STATISTICAL STUDIES** of your hybrid event (analysis of live connections, questions asked, etc.).
